Hi Dan & Alyse,

Denise mentioned to me (see email below) that before Jay headed out on military leave that this site would start being billed out semiannually. I just wanted to confirm with you if that's correct before we start drawing up a bill. Thanks!

Jacob,

FYI: October is highest number of oversight billing cycle. I was preparing for them.

Before Jay left, He has informed me that Westlake Landfill will be semiannual billing. May 1, 2013 to April 30, 2014 was the last billing sent out. Now, I am trying to figure out to split into semiannual. 1) Oct. 1, 2014 to March 31, 2015 2) April 1, 2015 – September 30, 2015. And HSCR to TR2B (there is a letter in the H: drive under special Account folder.)

You might want to talk with Counsel about this to ensure that what Jay informed me is accurate or not accurate.

R/S,
